Sir,

Referring to G. O. No. MS. 2332, dated 12th November 1930, I have the honour to state that the site ---- in question was acquired on the definite assurance from Government that a subsidy not exceeding one-half of the actual cost subject to the maximum of Rs.1,515 would be paid as a subsidy - vide G.O.No. 1954, Law, (Education) dated 2nd October 1928. The fixing of a maximum limit clearly shows that an increase in the actual cost of --- acquisition over the original estimate was anticipated.

Even

Even though the actual cost of acquisition has exceeded the original estimate due to circumstances beyond the control of the council, it would be a real hardship to withhold the payment of the amount of the subsidy promised. I would therefore strongly urge once again the payment at least of the amount promised and in case it is not proposed to be paid, I request that Government may be pleased to intimate for the information of the council the grounds on which its payment is proposed to be withheld.

Your obedient servant,

Chairman, M. C.
